<p>Which regulation would you like to see changed or eliminated? To assist us in identifying this regulation, please be as specific as possible. For example, you might say "The DNREC regulation that prohibits open burning without permission from the Department," or "Title 7, Section 1113 of the Delaware Administrative Code." (However, don't worry if you don't know the section of the Administrative Code.) There is no need to describe your experience with the regulation in your answer; that will be addressed in the next question.</p>		
<p>Please describe your personal experience with this regulation. Please be as specific as possible. Your answer may include information about how the regulation affects you or your organization, the cost of such regulation (monetary or otherwise), the amount of time required to fulfill the requirements of the regulation, your experience with the agency in connection with the regulation, or any other information you believe is pertinent. If you need additional space, feel free to use the "Additional Comments" section on the next page.</p>
